This Agreement Made in duplicate

on _____, 19_____,
by and between THE KIMBERLIN SEED
COMPANY, Seed Growers of San Jose, Cali-
fornia, hereinafter called the Seller, and_____

of _____
hereinafter called the Purchaser.

WITNESSETH:

1. Seller agrees to sell and deliver and Pur-
chaser agrees to accept and pay for the vari-
eties of seeds in the amounts, at the prices as
set forth in attached pages, and subject to
the terms and conditions herein provided.

2. Seller agrees to plant, or cause to be
planted, during the season of 19_____, an acre-
age of land which will produce, under nor-
mal conditions, an amount of seed of the vari-
ties herein named which will be sufficient to
enable the Seller to deliver the quantities of
the seeds herein contracted for; and the
Seller agrees to deliver as soon as possible
after harvest, such seeds in good merchanta-
ble condition, as herein defined, F. O. B. grow-
ing station, containers extra at cost, and not
returnable. The term "in good merchanta-
ble condition" is defined as seeds properly
cleaned for seeding purposes, approximately
free from foreign seeds distinguishable by
their appearance and of a germination equal
to the fair average germination of the crop
of the current year.

3. In case of partial or total failure of any
or all crops planted, or caused to be planted
by the Seller for the purpose of producing the
varieties of seeds herein named, or, in case of
damage to, or destruction of the Seller's seed
stocks before planting, or to the products of
such plantings, or to any seed through fire,
accident or other casualty beyond Seller's
control, the Seller shall be obliged to deliver,
if at all, proportional quantities only, and, in
any event, the Seller shall have the right to
reserve an amount of seed equal to that used
in said planting.

4. Purchaser shall make payment for seeds
delivered, by a trade acceptance due and pay-

able net 60 days from date of shipment, or by cash within 30 days from date of shipment, less a discount of $1\frac{1}{2}\%$. Purchaser shall pay interest at the rate of 7% per annum on any overdue payments of purchase price.

If, at any time, the financial condition of the Purchaser becomes unsatisfactory to the Seller, the Purchaser agrees, upon receipt of written notice to that effect, and upon demand of the Seller, to pay for the seeds in advance of shipment, less a cash discount of $1\frac{1}{2}\%$, and if such payment is not made within ten (10) days from the receipt of such demand for payment, this agreement shall thereupon be deemed to be breached by the Purchaser.

5. Except as herein otherwise expressly provided, the Seller gives no undertaking or warranty express or implied, as to description, quality, productiveness, or any other matter of any seeds sold by it and will not be in any way responsible for the crop.

6. Purchaser's claims for shortages of deliveries must be made to Seller immediately on receipt of shipment and all germination tests must be made and reported in writing (including telegram) by Purchaser to Seller within 15 days after receipt of shipment.

IN WITNESS WHEREOF, the parties have hereunto set their hands on the day and year first above written.

LETTUCE

All our stocks of lettuce are produced from individual plant selection, and we believe our stocks are as fine as any grown in the United States.

ONION

Our onion seed is produced from carefully selected bulbs, true to type and color.

CARROT

Our carrot seed is produced from European stocks carefully selected. Like the lettuce, we are developing this from individual plant selection.

Besides varieties of garden seed listed, we are prepared to grow from customers' private stocks and will give special attention to such orders.

Contracts are all subject to crop conditions. In case of failure all orders are filled pro rata.

Terms: Our terms are sixty day acceptance, or 1 1/2 per cent discount for cash inside of thirty days from date of invoice. F. O. B. our growing station. Bags at market value and not subject to discount.
